You have the option to choose a Consumer Choice health care plan that, either in whole or in part, does not provide state-mandated health benefits normally required in evidences of coverage in Texas. This standard health benefit plan may provide a more affordable health plan for you although, at the same time, it may provide you with fewer health plan benefits than those normally included as state-mandated health benefits in Texas. If you choose this standard health benefit plan, please consult with your insurance agent to discover which state-mandated health benefits are excluded in this evidence of coverage.

Please answer the following questions only if you are applying for a Special Enrollment Period. You may request a Special Enrollment Period because you have experienced one or more of these events during the last 60 days (check all that apply). ATTENTION FEMALE MEMBERS: In selecting your PCP, remember that your PCP's network may affect your choice of OB/GYN. You have the right to receive services from an OB/GYN without first obtaining a referral from your PCP. However, if your PCP is part of a limited provider network (LPN), the OB/GYN from who you receive services must belong to the same LPN as your PCP. This is another reason to make certain that your PCP's network includes the specialists – particularly the OB/GYN – and hospitals that you prefer. You are not required to designate an OB/GYN. You may elect to receive OB/GYN services from your PCP.

## **Section C:** Dental Coverage

The Affordable Care Act ("ACA") requires us to be reasonably assured that you and each member on this policy have or are seeking coverage for pediatric dental services that are essential health benefits. The Affordable Care Act requires these benefits even if there is no one on the policy who is eligible for these services.

Carriers can offer this required pediatric dental coverage to you through benefit plans called "Marketplace-certified stand-alone dental plans." These plans are also known as Dental Qualified Health Plans or Dental QHPs.

There are three ways to meet this requirement.

- 1 You can enroll in BlueCare DentalsM, our Full Dental QHP, which contains coverage for adults and pediatric dental essential health benefits; or
- 2 You can enroll in BlueCare Dental 4 Kids<sup>sM</sup>, our Limited Dental QHP, which only contains pediatric dental essential health benefits; or
- 3 You can confirm that you have obtained or are seeking coverage for pediatric dental essential health benefits somewhere else.

Please review your options below and select one:

If you do not select an option then you and each member on the policy will be enrolled in BlueCare Dental 4 Kids 1B, our Limited Dental QHP, in order to meet ACA's requirement that we provide you coverage with pediatric dental services that are essential health benefits.

If "Yes" is indicated above, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a contract to be issued by Blue Cross and Blue Shield of Texas. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new contract.

This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- 2. If, after due consideration, you still wish to terminate your present contract and replace it with new coverage, be certain to truthfully and completely answer all questions on this application concerning any person applying for coverage. ### **ACKNOWLEDGMENTS**

The Applicant, to the best of his/her knowledge and belief, represents and agrees as follows:

- 1. This application is the first step in applying for Medical Expense Coverage. You do not have Medical Expense Coverage until the effective date of the policy and the first month's premium is paid.
- 2. If you use an agent or broker, they cannot accept risks or modify policies or requirements of the Company.

- 4. I understand that any person who knowingly presents fraudulent claim for payment of a loss or benefit or fraudulently or intentionally misrepresents a material fact on the application may result in the coverage being rescinded. Rescission is defined as a cancellation or discontinuance of coverage that has a retroactive effect. I will be provided with at least 30 days advance written notice before my or my dependent's coverage may be rescinded, retroactive to the effective date of coverage.
- 5. If an Agent, Producer or a Broker was working with me to purchase an Individual Policy, then the Company may pay the broker a commission and/or other compensation. I understand that if I want additional information about any commissions or other compensation paid the agent or broker I should contact the agent or broker.

These representations are the basis of my application. I understand that coverage will be effective following payment in full of the first month's premium. The undersigned Applicant and broker acknowledge that the Applicant has read the completed application which will become a part of the contract between BCBSTX and the applicant.

Authorization: I authorize any medical professional, hospital, clinic or other medical or medically related facility, governmental agency, pharmacy benefit manager, retail pharmacy, pharmacy clearinghouse or other person or firm, to disclose to the Company or their authorized representative, information, including copies of records, concerning advice, care or treatment provided to me and/or my dependents, including and without limitation, information relating to the prescription and use of drugs or alcohol. I also authorize the release of information relating to mental illness. In addition, I authorize the Company to review and research its own records for information.

I understand that Blue Cross and Blue Shield of Texas will only disclose collected information as needed to medical entities related to my care.

I understand information obtained with my authorization may be re-disclosed by the Company as permitted or required by law. If such a disclosure is required, the person or agency receiving the information will become responsible for its protection.
